

# The Bikelane HR ToolKit

Save Money.  
Reduce Risk.  
Be Compliant.

# Get Value Every Day.

The HR ToolKit isn't for sale. We offer it as a Bikelane Benefit, designed specifically for restaurants. The HR ToolKit is one of the ways Bikelane creates a new restaurant insurance experience, providing value every day. Get ready for different and better.

- **Interactive Sexual Harassment Training**

This easy-to-use and highly-effective online training module ensures all your employees are trained and that your restaurant maintains compliance with the latest regulations.

- **Bikelane HR Hotline**

When you need immediate, professional Human Resources advice, just dial the HR Hotline. Staffed with seasoned HR troubleshooters, protect yourself from those 'tricky' on-the-spot situations.

- **Employee Handbooks**

Customized just for your restaurant, present staff with everything they need to know about working for you. Added bonus: an Employee Handbook can reduce insurance premiums!

- **Safety Manuals**

In general, smart to have!  
And another way to reduce insurance premiums.
